Bidding Group Structure

Respond as a Single Organisation or Bidding Group:	My Organisation Only (No consortium)
--	--------------------------------------

Qualification Envelope
1.1 Appendix 1 Grounds for Exclusion and Minimum Requirements (Questions: 6)
1.2 Appendix 2 Form of Offer (Questions: 1)
1.3 Appendix 5 Agreement for Supply of Free Samples (Questions: 1)
1.4 Appendix 6 Conformance to Specification (Questions: 1)
1.5 Appendix 8 Family Line Information (Questions: 1)
1.6 Specification Compliance (Questions: 1)
1.7 Supporting Documentation (Questions: 1)

Qualification Envelope: 1.1 Appendix 1 Grounds for Exclusion and Minimum Requirements

	Question	Description	
1.1.1	Attaching Documentation	Please note that ONE document or zip file can be attached in response to each question.	
	Question	Description	Response
1.1.2	Appendix 1 Grounds for Exclusion and Minimum Requirements	* Please complete the document in full and attach as instructed.	
1.1.3	Section 4 Economic and Financial Standing	* Please attach the financial information selected in Section 4.1 of the Grounds for Exclusion word document to demonstrate your economic/financial standing.	
1.1.4	Section A Technical and Professional Ability	If you selected 'Yes, already have' in Section A of the Grounds for Exclusion document, please attach your ISO9001:2015 or equivalent, externally accredited and up-to-date quality standard certificate(s) to cover all segments of the Applicant's (and the product's) supply chain. This should include, but not be limited to, manufacturing, storage and distribution.	
1.1.5	Section B Insurance	If you selected 'Yes, already have' in Section B (1) Employer's (Compulsory) Liability Insurance for £5,000,000 Per Claim on the Grounds for Exclusion word document, please attach your certificate or signed Broker's Letter.	
1.1.6	Section B Insurance	If you selected 'Yes, already have' in Section B (1) Public Liability Insurance for £5,000,000 Per Claim on the Grounds for Exclusion word document, please attach your certificate or signed Broker's Letter.	
1.1.7	Section B Insurance	If you selected 'Yes, already have' in Section B (1) Product Liability Insurance for £5,000,000 Per Claim on the Grounds for Exclusion word document, please attach your certificate or signed Broker's Letter.	

Qualification Envelope: 1.2 Appendix 2 Form of Offer

	Question	Description	Response
1.2.1	Appendix 2 Form of Offer	* Please attach your signed Form of Offer.	

Qualification Envelope: 1.3 Appendix 5 Agreement for Supply of Free Samples

	Question	Description	Response
1.3.1	Appendix 5 Agreement For Supply of Free Samples	* Please attach your signed Agreement For Supply of Free Samples	

Qualification Envelope: 1.4 Appendix 6 Conformance to Specification

	Question	Description	Response
1.4.1	Appendix 6 Conformance to Specification	* Please attach your signed Conformance to Specification	

Qualification Envelope: 1.5 Appendix 8 Family Line Information

	Question	Description	Response
1.5.1	Appendix 8 Family Line Information	* Please upload your completed Family Line Information spreadsheet. Where no offer is made the Applicant must clearly state 'NO OFFER' within the document	

Qualification Envelope: 1.6 Specification Compliance

	Question	Description	Response
1.6.1	Attaching Documentation	Please note that ONE document or zip file can be attached in response to each question.	
1.6.2	Section 9.3.6 Specification Compliance	* Please attach evidence of compliance to the standards and legislation detailed in Section 9.3.6 of the Invitation to Tender (ITT). Please refer to this Section of the ITT for further detail.	

Qualification Envelope: 1.7 Supporting Documentation

	Question	Description	Response
1.7.1	Supporting Documentation	If you have further supporting documentation, not requested in the previous questions, you may attach to this question. Please note that any Supporting Documentation will not be evaluated unless requested by NHS Supply Chain.	

Commercial Envelope

2.1 Line Responses (Items 4 , Columns: 11)

Commercial Envelope: 2.1 Line Responses

	Code	Description	Unit of Measurement	Quantity	Unit Price	Minimum Unit Price	Maximum Unit Price	Price
2.1.1	Appointment to the Contract	Applicants may bid for one or more Product Lines, however it should be noted that where they are the highest scoring Applicant for the 60% volume line their offer for the associated 40% volume line, if bid, will not be considered for evaluation. Please refer to Section 4.3 of the Invitation to Tender document for further information in respect of the Award.						
2.1.2	Unit Price Response	Applicants are requested, for evaluation purposes only, to Tender pricing for the UOM as specified in the Unit of Measurement Column. Applicants should note that, whilst NHS Supply Chain will evaluate the UOM, Goods will be purchased in the Supplier's Unit of Sale as submitted.						
2.1.3	Quantities	The Quantities provided represent the 60/40% split of the overall requirement. Please refer to Appendix 7 Delivery Schedule for further information in relation to the delivery requirement.						
2.1.4	Family Line Information	Where an Applicant submits a bid against a Product Line for either 23G OR 25G within the 'Commercial Envelope', the Applicant may submit the other size (as specified within the evaluated Product Line description) as a family line offer using Appendix 8 Family Line Information						
2.1.5	1	General Population – Combined Safety Hypodermic Needle and Syringe 23G or 25G x 25mm (1 inch) with 1ml Syringe with graduations at 0.1ml and markers at least at 0.05ml with fixed needle and no more than 35 microlitres of dead volume.	Each	145,500,000				0

2.1.6	2	General Population – Combined Safety Hypodermic Needle and Syringe 23G or 25G x 25mm (1 inch) with 1ml Syringe with graduations at 0.1ml and markers at least at 0.05ml with fixed needle and no more than 35 microlitres of dead volume.	Each	97,000,000				0
2.1.7	3	Morbidly Obese Patients – Combined Safety Hypodermic Needle and Syringe 23G or 25G x 38mm (1.5 inch) with 1ml Syringe with graduations at 0.1ml and markers at least at 0.05ml with fixed needle and no more than 35 microlitres of dead volume.	Each	4,680,000				0
2.1.8	4	Morbidly Obese Patients – Combined Safety Hypodermic Needle and Syringe 23G or 25G x 38mm (1.5 inch) with 1ml Syringe with graduations at 0.1ml and markers at least at 0.05ml with fixed needle and no more than 35 microlitres of dead volume.	Each	3,120,000				0
