ZEOLA Fresh Breath

COMPREHENSIVE GUM CARE + BREATH CARE
WITH 12 FEATURED INGREDIENTS

ZEOLA Fresh Breath toothpaste can handle a number of gum related problems while taking care of your breath with 12 featured ingredients.

Clean Green Tea Flavor

Featured ingredients

Baking soda thoroughly cleanses plaque. Zeolite prevents tartar build up which raises the risk of periodontal disease. Fluoride strengthens teeth, preventing tooth decay. Other gum care ingredients sterilize bacteria that cause periodontal disease, prevent gum inflammation, and make gums strong. Zinc glicinate together with Zeolite work against unpleasant odor making last refreshing feeling of just brushed teeth much longer, also blocking enzymes that damage gum tissue.

Oral-care products

SMILE HONEY Zettoc Toothpaste

*For your long, happy and healthy life,
from healthy gums and teeth.*

*SMILE HONEY Zettoc Toothpaste protects you from periodontal disease,
one of the most common oral concerns of the middle aged to elderly.
Active ingredients fight bacteria and prevent inflammations. High
concentration of fluoride prevents adult cavities. Three different plant
extracts added to combat various gum problems.*

Herb mint flavor

Spear mint flavor

Cinnamon mint flavor

*Adult cavities occure in receding gum spots or in cracks between fillings and teeth. High fluoride concentration
1400ppm effectively prevents them. Plant extracts said to suppress bleeding, control plaque creation and promote
tightening of gums.*

Zettoc Stretch Mark Cream

*Over 20 years of protecting beautiful skin of mothers
in Japan. Made with plant based ingredients.*

80 % of women experienced the prevention of stretch marks' appearance.*

Improves skin elasticity and gently moisturizes mothers' sensitive skin.

*Based on a user trial by 80 women who used the product twice every day since 25 weeks pregnant. Supervised by an obstetrics and gynecologist's clinics in Tokyo.

Stretch marks are lines or marks on the skin, especially on the abdomen, hips, flank, buttocks, or thighs, caused by distention of the skin during pregnancy or from rapid weight gain.

Includes cocoa butter, cottonseed oil, avocado oil, and Dipotassium Glycyrrhizate (from licorice root extract) for beautiful skin. One of the most trusted stretch mark cream brands in Japan has made a come back!
