About us

Cairo International Fair is the most prominent international annual event organized by Egypt Expo and Convention Authority (EECA). It plays a major role in deepening the bonds of economic cooperation between Egypt and all the countries participating in the exhibition.

The exhibition plays a significant role in supporting the Egyptian economy and opening new markets, not only to the Egyptian product, but to the products of all countries participating in the exhibition.

The History Of Cairo Fair

The exhibition industry started in Egypt in the 19th Century when Egypt participated for the first time in Paris International Exhibition in 1867 where khedive Ismail paid a visit to the Egyptian pavilion which gained gold, silver and bronze medals for the good quality of its products.

Also King Fouad inaugurated the First Cairo Agro- Industrial Exhibition which took place at the Exhibition Grounds in al Jazeera in 1897.

In 1980 Cairo International Fair moved from the Exhibition Grounds in Al Jazeera to its current place in Nasr City.
