

Andrei Pochelintsev

Entrepreneur · Expert in Energy, Industrial Innovation & Digital Transformation

Chairman, Association for the Development of the Fuel and Energy Complex (ARTEC - ADFEC)
CEO, Atom Group, Far East, Russia (Energy Equipment Manufacturing)
Expert, Energy Committee of the State Duma of the Russian Federation

With over 15 years of experience in the real sector of the Far Eastern economy, Andrey Pochelyntsev leads projects in the energy, engineering, and IT fields. He focuses on localization of production, technological sovereignty, and digital transformation in industry. His mission is to drive technological innovation and foster sustainable energy solutions in strategic regions like Russia's Far East

Areas of Expertise

- Industrial digitalization and automation
- Development of domestic control and monitoring systems
- Import substitution in energy and IT
- International cooperation (Russia–China, Russia–UAE)
- Technological entrepreneurship and industrial clusters
- Modernization of energy infrastructure through digital solutions

About Atom Group

Headquarters: Offices: Moscow, St. Petersburg, Khabarovsk

Revenue: More than \$30 million; **Team:** Over 100 employees

Core Activities:

- Manufacturing of energy and electrical equipment (diesel and gas-piston power plants, hybrid systems)
- Development of SCADA systems and measurement technologies
- Engineering solutions for energy and industrial sectors
- IT company (accredited by Russia's Ministry of Digital Development) specializing in applied digital solutions and infrastructure support

Key Projects

- **Localization of Energy Equipment Production:** Partnered with Chinese companies Pry Engine China and Taizhou Jinte Electromechanical to localize engine manufacturing for distributed energy and marine applications in Khabarovsk (2025–2027). Supported by Russia's Ministry of Energy and Ministry of Eastern Development.
- **Energy Infrastructure Modernization:** Contributed to regional programs enhancing energy systems, impacting over 500,000 residents.
- **Founder of ARTEC - ADFEC:** Established the Association for the Development of the Fuel and Energy Complex to promote innovation and collaboration in Russia's energy sector.

- **Legislative Contributions:** Provides expertise to the State Duma’s Energy Committee on energy policy and technological development.
-

International Collaboration

In 2025, Andrey initiated a strategic partnership with Chinese firms to localize production of advanced engines, leveraging Russian digital management systems for enhanced reliability. This project strengthens Russia–China cooperation and supports sustainable energy solutions in the Far East.

Public and Social Engagement

- **Member,** Delovaya Rossiya (Business Russia), a prominent Russian business association representing medium-sized enterprises
 - **Advocate for Digital Sovereignty:** Promotes the development of Russian-made technologies in the Far East.
 - **Philanthropy:** Leads charitable programs supporting children, orphans, and youth sports initiatives.
 - **Policy Initiatives:**
 - Advocates for Far Eastern Industrial Mortgage for residents of Territories of Advanced Development (TOR).
 - Proposes a Technological Forum for the Far East and programs for interregional cooperation under Russia’s 44-FZ and 223-FZ procurement laws.
 - Supports incentives for Far Eastern manufacturers to enhance local production.
-

Education & Recognition

- Degrees in Applied Informatics in Economics and Law
 - MBA Program (Business Administration)
 - Winner of “Entrepreneur of the Year 2022”, Khabarovsk
 - **Public Speaker:** Delivered over 30 speeches to audiences of 2,000+ at major events, including:
 - Russian-Chinese Forum, Khabarovsk (organized by Roscongress, 2025)
 - Traektoriya'25" Conference on Digital Business Development (organized by RASA Agency with Bitrix24 support, 2025)
 - Eastern Economic Forum, Vladivostok (organized by Roscongress, 2025)
 - Heat & Power, Moscow (organized by Roscongress, 2025)
 - **Additional Engagements:** Keynote speaker at an exclusive business breakfast.
