Contact Guide

Jewellery and Costume Jewellery

This Contact Guide contains addresses to companies and organisations engaged in supplying jewellery and costume jewellery to the Swedish market.

The addresses have been collected from different open publications like company and product lists, telephone catalogues and similar sources of addresses. However, there is no guarantee that the companies listed in this Contact Guide will have any interest in your specific product(s).

Please note, that some of the Internet sites will only be available in Swedish as the company's information is mainly directed towards Swedish customers.

The Scandinavian Market

There are many similarities among the Scandinavian countries with regard to culture, language, political and social systems etc. Also when it comes to consumer behaviour and product preferences you find many similarities.

When entering one of the Scandinavian markets it therefore might be relevant to consider the possibilities in the other Scandinavian countries as well.

All Scandinavian countries have import promotion facilities. Below you will find a short presentation of the import promotion organisations in Denmark, Norway and Sweden.

| | | |
|--------------|---------|-------------|
| Inhabitants: | Denmark | 5.4 million |
| | Norway | 4.6 million |
| | Sweden | 9.1 million |

Denmark

The Danish Import Promotion Office, DIPO, is integrated in the Danish Chamber of Commerce and operates under a contract between The Danish International Development Assistance (DANIDA) and the Danish Chamber of Commerce.

The objective of DIPO is to assist exporters/producers in Africa, Asia and Latin America to enter the Danish market.

At DIPO's website www.dipo.dk you can read more about DIPO and its activities, download or order market information material regarding the Danish market or register your business offer to be advertised on the website.

Norway

The Norwegian Import Promotion office, HSH IPO Service, operates under a contract between HSH (The Federation of Norwegian Commercial and Service Enterprises) and NORAD (Norwegian Agency for Development Cooperation). HSH IPO Service is integrated in HSH - but are fully sponsored by NORAD.

From the website www.hsh-org.no you can read more about HSH. We are currently working on developing a matching platform between selected Norwegian importers/wholesalers and professional exporters from developing countries. This website is in collaboration with CBI in Holland and is expected to be working from March 2004. Access to the importer/exporter matching platform will be through our www.hsh-org.no.

The Scandinavian Market
 There are many similarities among the Scandinavian countries with regard to culture, language, political and social systems etc. Also when it comes to consumer behaviour and product preferences you find many similarities.
 When entering one of the Scandinavian markets it therefore might be relevant to consider the possibilities in the other Scandinavian countries.
